Swift conservation in Leicestershire and Rutland.

Speaker Jools Partridge - former wildlife officer for Leicestershire County Council.

Swift populations are down by 53% due to loss of breeding sites and a decline in flying insects.

Jools Partridge, will show us how to provide nesting sites with the aim to help reverse the decline in numbers of these migratory birds.

**No need to book - just turn up. Refreshments provided.
Visitors welcome for a fee of £2.00.**
